TERMS OF TRADE

Refer to our website <http://www.macro.net.nz/terms.asp>

The terms of trade set out below govern all of the suppliers of Products from Macro Limited ("Macro", "we", "us") to the Customer ("you"). They will replace all earlier Macro terms of trade and any conditions contained in any document used by you and purporting to have contractual effect. Your acceptance of any Products or Performance indicates your acceptance of these terms of trade.

Price and Orders

Prices may be subject to change without notice due to external influences beyond our control.

Macro reserves the right to refuse to accept any order or any part of an order and to deliver goods by instalments, in which case each instalment will comprise a separate contract and shall be paid for as if it were a separate order.

Risk and Delivery

You are responsible for insurance and risk in the Products from the time they are received by a carrier for delivery to you or collection by you or your agent.

You agree to pay all delivery costs.

All claims for shortage or damage during delivery must be made to the carrier within 7 days of the date of delivery. Where goods appear to be damaged or missing you must contact the carrier and us immediately.

We will make every effort to ensure delivery of Products, or performance of services, is on time, but will not be liable to you for any loss or damage arising in any way from any delay in delivery or performance. Delay in delivery or performance does not entitle you to cancel any order.

Unless otherwise stated in writing, all Products will be box shipped and it is your responsibility to assemble, configure and install them.

Where you ask us to deliver goods directly to another person, that person takes possession of the goods for you as your agent, but you are still directly responsible to us under these terms of trade.

Payment

Unless we have agreed to extend credit to you, you must pay by cash, cheque or by direct credit to our bank before supply.

Where we have agreed in writing to extend credit to you, you must pay in full within 7 days of supply, or (only if we have agreed in writing) by the 20th of the month following dispatch of an invoice. Your payment is made only when funds have fully cleared through the banking system into our bank account.

We have sole discretion to determine the amount of credit we will extend to you at any time.

You agree to pay for the Products in full without deduction or setoff and to pay goods and services tax and any other government duties, levies or taxes in respect of the Products.

If payment is not made in full by the due date, we may charge a late payment fee of \$15.00 and/or interest on the unpaid overdue balance at the rate of 2.5% per calendar month compounding on the unpaid balance owing on the first day of each month until payment in full has been received by us, and we may charge you costs (including collection costs and legal costs on a solicitor-client basis) and suspend delivery on further Products or performance of further services until the account is paid.
